SUPERCIC

Download SuperCIC source+hexfiles here. (<http://sd2snes.de/files/supercic.zip>)

Based on reverse engineering work by Segher: <http://hackmii.com/2010/01/the-weird-and-wonderful-cic/>
(<http://hackmii.com/2010/01/the-weird-and-wonderful-cic/>)

SuperCIC acts as a multi-region CIC, enabling CIC protected cartridges (S-DD1, SA1) of any region to work properly.
